CPL Foundation Donated 180 Maternity & Baby Packs to PMGH

CPL Foundation has presented 180 maternity & baby packs to Port Moresby General Hospital Labour ward. The packs includes sanitary supplies, toiletries, baby essentials as well as City Pharmacy baby coupons for discounts for these mothers and their bundles of joy. This initiative was established to assist mothers with their basic health and hygiene needs.

Sr Mary Sitaing, sister-in-charge of the PMGH labour ward, thanked CPL Group for the support.

“We deliver 35 to 45 babies a day, and these gift packs will help the mothers as the majority of them come from a lower income bracket or rural areas and can't necessarily afford the items being given to them”

Queenpads Awareness Team visited East New Britain Province

CPL Foundation continues to support Queenpads with conducting awareness across the country.

The awareness team were able to conduct seven awareness programmes in more than five different educational institutions in East New Britain.

The awareness sessions were conducted at Malaguna Secondary School, Kerevat National High School, The UNRE, Vunairoto Community, the PNG Health Association as well as with the

staff of Hardware Haus and City Pharmacy Kokopo.

As one of the CPL Foundation core area to promote women's health and well-being, these awareness sessions are carried out to promote menstrual health and hygiene for women and girls in Papua New Guinea. The awareness team have so far covered schools, colleges and communities in Lae, Mt Hagen, Madang and East New Britain Province.

CPL Foundation launches "When I Grow Up" Book at Tatana Library

The Tatana Buk Bilong Pikinini Early Childhood Centre has participated in the launching of the "When I Grow Up" readers. The readers feature students from the Motu-Koita village based library centre participating in a day as City Pharmacy health workers such as nurse or a pharmacist. CPL Foundation is privileged to support this education initiative. The readers also enables them to set goals of who they want to be in the future in line with our objectives to educate and empower women and children.

CPL Donates food to Cheshire Homes in Long-Term Partnership

CPL's leading supermarket brand, Stop & Shop, donated K4,000 worth of food rations to the Cheshire Disability Centre. This is the third quarter donation to the organization, and it is part of the long-term partnership created in 2019 with CPL Group's community services arm of CPL Foundation. In line with CPL's core value of being responsible to our people, community and our environment, we are proud of this partnership to continue.

CPL Foundation supports Mahuru Village Clean up

With the support from CPL Foundation, Oti Sarufa, a local community leader has encouraged youth to take ownership of safety and health and hygiene of their community at a recent clean up activity. CPL is proud to support initiatives to better the community. The city is starting to grow smaller as the population is growing bigger, and how do we take proactive steps to curb a crisis where resources are becoming scarce. Law and order in clean communities is everyone's responsibility.
