 The advertisement is split into two parts. The left part shows four young girls in pink leotards and tutus, seen from behind, standing in a line in a dance studio. To their left, the text reads: "They've got worms, You've got Vermox®". The right part features a box of Vermox Choc Chews (Mebendazole 100mg) against a purple background. The box is labeled "KILLS WORMS" and "PHARMACY MEDICINE". To the right of the box is a cartoon illustration of a pink worm with a shocked expression, crossed out by a red prohibition sign. Below the box, it says "Effectively kills worms".
